

AVAILABILITY OF THE TUE DECISION

(from the CIPS Anti-doping Rules)

4.4.2.1 Where the Athlete already has a TUE granted by his or her National Anti-Doping Organization for the substance or method in question, that TUE is automatically valid for international-level Competition provided that such TUE decision has been reported in accordance with Article 5.4 of the International Standard for Therapeutic Use Exemptions and therefore is available for review by WADA.
