INFORMATION

on doping controls of CIPS international federations championships 2016

According to the CIPS Anti-doping Code and the WADA prescriptions, in the year 2016 the CIPS International Sport Fishing Federations have made the doping controls in the world championships: within the competitions and out of competition as well.

Fédération Internationale de la Pêche Sportive en eau douce (FIPSeD)

With regard to anti-doping controls, this year 20 tests have been carried out, 12 in competition, 8 during trainings. Here below the list of championships during which the tests were made:

	Competition	Training
Coarse Angling World Championship for Clubs	2	0
Coarse Angling World Championship U23	2	0
Coarse Angling World Championship for Ladies	0	2
Coarse Angling World Championship for Nations	2	2
Carp Fishing world Championship	2	0
Carnivorous Artificial Baits Shore Angling World Championship	2	0
Carnivorous Artificial Baits Boat Angling World Championship	2	0
Feeder Fishing World Championship	0	2
Coarse Angling European Championship	0	2

We have now received the results of the tests concerning 7 championships. All results received until now are negative: no positive reliefs on doping substances have been found. We still miss to receive the analysis results concerning the 2 following championships:

Coarse Angling World Championship U23	Portugal
Coarse Angling European Championship	Netherlands

For these two missing results, the National Anti-doping Agencies of belonging have informed us that they will send us the results in the briefest delay.
