

**CIPS – IGFA – EFSA**

## **Appeal to international cooperation for the future of angling**

Initiated by the CIPS, three international angling organizations - CIPS, IGFA and EFSA - met in Budapest during the European Fishing Tackle and Trade Exposition (EFTTEX) . They have appealed in their Manifesto all international angling organization for launching a worldwide cooperation and all common efforts for the future of angling.

**From left to right: Rob Kramer President of the International Game Fishing Association-IGFA, Massimo Brogna, member of the Board of the European Federation of Sea Anglers-EFSA and Ferenc Szalay, President of the Confédération Internationale de la Pêche Sportive- CIPS signing the Manifesto in the EFTTEX Press Center in Budapest**
