

Meeting of the CIPS Presidium in Niagara Falls

Chairing by the President Ferenc Szalay, the Presidium of the CIPS had his meeting in the Doubletree Hotel Hilton in Niagara Falls, United States, the 10th of May 2018.

The Presidium – the day of the Niagara Falls Congress opening – has discussed the realization of the his meetings' decisions taken in February in Rome; especially the preparations of the 39th Congress and the new affiliation's demands. The Presidents of the three FIPS and of the permanent commissions reports were approved and the 2019 World Game preparations were in the Agenda as well. The Presidium emphasised the importance of the media and communication strategy, special attention to the social media. The Presidium discussed as well the development of the preparations of the zone championships, especially in Africa and America.
