Condolences

It was with great sadness that we learnt of the loss of Mr Abdou Goth Diouf, Vice-President of the International Sport Fishing Confederation.

The CIPS President, Claudio Matteoli, and all the members of the Presidium wish to express their support and sincere condolences to Mr Diouf's family and friends.

The friendship and cooperation that united us will not be extinguished by his missing, and we will remember him fondly in our cooperation.

With respect,

The CIPS President
Prof. Ugo Claudio Matteoli
