

مشهر برقم ٢ لسنة ١٩٨٣

الاتحاد المصري لرياضة صيد الأسماك  
Egyptian Angling Federation

To : Confédération internationale de la Pêche Sportive  
Attn : Mr. Matteoli Claudio Ugo- President  
Subject : Proposal to host the CIPS congress no.47 in Cairo, Egypt-  
April 2026  
Date : 3/4/2025

Dear Mr. Matteoli

I hope this letter finds you well, on behalf of Egyptian Angling Federation, I am honored to formally propose Cairo, Egypt, as host city for CIPS congress no.47 during April 2026.

Egypt has a rich tradition in sport fishing, a strong commitment to aquatic sustainability, and a strategic Geographical location making it an ideal venue for this prestigious event.

## Why Cairo?

### 1. Strategic Location & Accessibility

Cairo is a global hub with excellent connectivity, offering direct flights from major cities across Europe, Asia, Africa, and the Americas. This ensures ease of access for all international delegates and participants.

### 2. World-Class Venues & Hospitality

Cairo boasts state-of-the-art conference facilities, luxurious hotels, and renowned hospitality services, all capable of accommodating an event of CIPS's scale. Options such as the Cairo International Convention Center (CICC) and major five-star hotels can provide an excellent setting for the congress.

### 3. Rich Cultural and Historical Experience

As one of the world's most historically significant cities, Cairo offers attendees a unique opportunity to explore iconic landmarks such as the Pyramids of Giza, the Nile River, and the Egyptian Museum. The blend of history and modernity will make this congress a truly memorable experience.

#### 4. Strong Support from Local Authorities

The Egyptian government and sports federations strongly support international sporting events. We are confident in securing cooperation from key stakeholders, ensuring a smooth and successful congress.

#### 5. Promoting Sport Fishing in the Region

Egypt's diverse aquatic ecosystems, including the Red Sea, the Mediterranean, and the Nile River, provide exceptional opportunities for sport fishing. Hosting the CIPS Congress in Cairo would significantly contribute to the promotion of sustainable fishing practices in the region and inspire further participation in the sport.

We would be delighted to discuss this proposal and explore how we can collaborate to make the 2026 CIPS Congress no. 47 a remarkable success.

Thank you for your time and consideration. We look forward to your positive response.

Best Regards

Mohamed Kaddah  
President
